

MR1035-1501
Application Serial No. 10/092,394
Response to Final Office Action dated 20 January 2006

REMARKS/ARGUMENTS

This case has been carefully reviewed and analyzed in view of the Final Office Action dated 20 January 2006. Responsive to the rejections made in the Office Action, Claims 24 and 26-28 have been canceled by this Amendment.

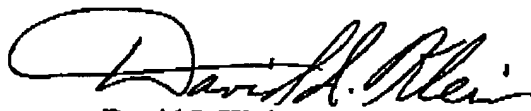

In the Office Action, the Examiner rejected Claims 24 and 26-28 under 35 U.S.C. § 103(a) as being unpatentable over Wang (U.S. Patent #6,118,817) in view of Gardos et al. (U.S. Patent#5,737,537).

The Applicants, by this Amendment, have canceled the rejected Claims in order to advance the prosecution of this case, leaving only the allowed Claims 1 and 3 - 15.

It is now believed that the subject Patent Application has been placed in condition for allowance, and such action is respectfully requested.

Respectfully submitted,

FOR: ROSENBERG KLEIN & LEE
